

HUNT OR BE HUNTED

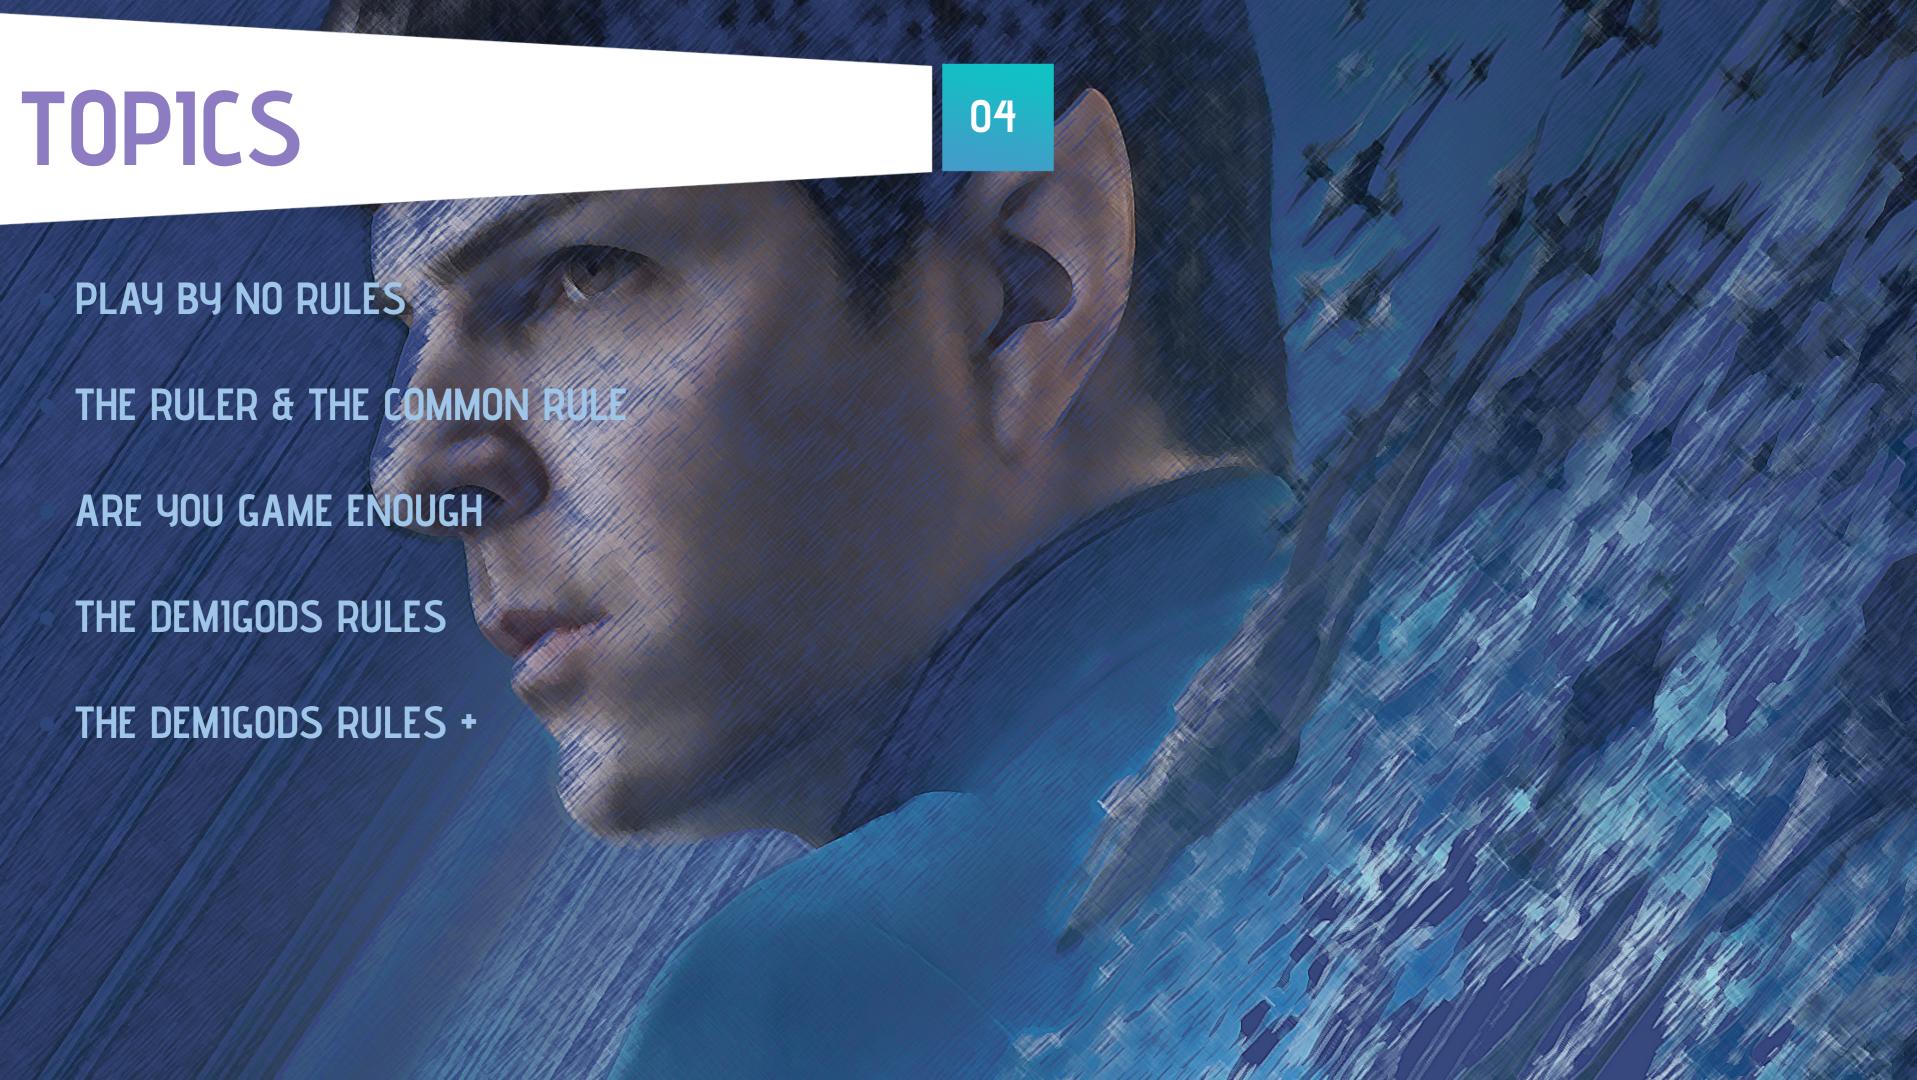

THE DEMIGODS RULES

03

A business warrior guide is insurmountable to all successes in an ambition individual in reach of something greater.

This eBook reflects greatly on aspects of the hunt and the immortal beasts that lurk in the shadow of wilderness

The hunt is real and there exist no season to do what must be done. To first become the person you desired to be

Play by no rules

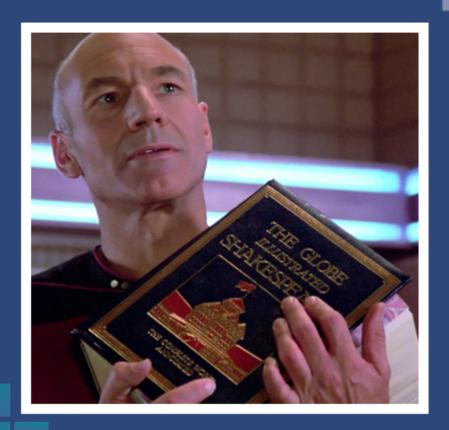

It represents merits to those who seek out their innovation for a purpose other than themselves and ensuring this purpose reaches infinity; a point of complete indestructible mode.

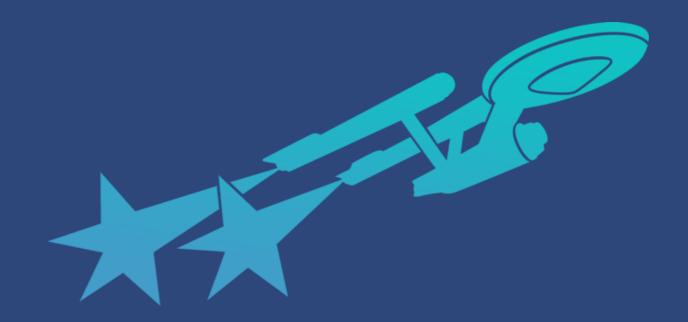

For its purpose cannot be succumbed by others not worthy to carry the torch of its existence. To want to live forever in the new economies out of the old.

The ruler & the common rule

IF YOU PRICK US, DO WE NOT BLEED? IF YOU TICKLE US, DO WE NOT LAUGH? IF YOU POISON US, DO WE NOT DIE? AND, IF YOU WRONG US, SHALL WE NOT REVENGE?

To allow this existence power to be the ideal product created to bring out the essence of purity, integrity, sensibility, humanly and purpose.

It's the rules of the demigods; to protect innovative business from being destroyed to early in the game, as such it is difficult to see its true potential due to inactive agents desire to not fight for it immensely.

Are you game enough?

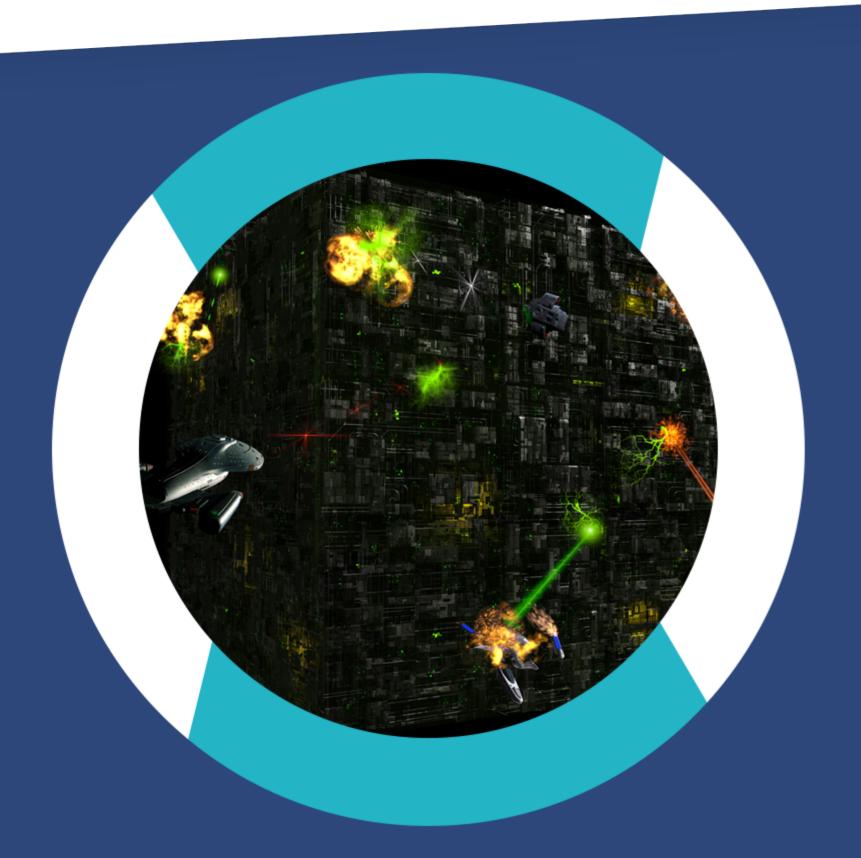

Rules are necessary to obey, to align the structures of ideals and control over set characteristics which has the power to abstain from its core ideals.

It is the idea behind good success routes taken by few who understand the power of rules over matter.

Material matter which can ostracize productivity quickly in dissension when surrounded by agents who are diminishing creatures of the dark.

The demigods rules

- The title explains no more than what it represents, to understand that material wealth creation is not a fallacy taught in business schools, easy to acquire with one thought.
- As ideas can be conjured out of the creation and swiftly taken by agents of sourcing, willing to cheaply pay you for an unedited version of creativity, for early investment growth. Here it requires you the recipient to develop these rules of survivability as the following are examinable and deducing in nature:
