

# Own Your Destiny

**Dr Sylvan Lightbourne**

A man in a dark suit, white shirt, and dark tie stands in the center of the frame. He is bald and has a serious expression. He is holding a black handgun in his right hand. He has a small wound on his forehead. The background is a large, intense fire with orange and yellow flames and black smoke. The overall tone is dramatic and intense.

**Your life is your own making. No one else but you is in charge of your life. You are the driver who steers the wheel and the direction or path that you take is, and will always be, your own making. But how do you command your life to turn towards the path that you want it to take? How will you go about shaping your destiny?**

# Determining Your Motivators:

**Motivators have a big impact on your life. There are different types of motivators and each one of them is unique in its own way.**

# Arrange Your Goals

To take charge of your life, you need to make sure that you are clear when it comes to your goals.

# Taking Charge Basics

**If you know that you wish to be in an entirely different situation, you will have to take the matter into your own hands and work towards goals that are more ambitious. If this is the type of thinking that you are experiencing right now it is important that you do not allow the situation's to pull you down. Never try making up excuses or rationalize why you are still not making the most out of your potential.**
